Dear Parents and Caregivers,

This is our last newsletter for 2014! This week we farewell our Year Eleven and Year Ten students as school winds down for the year.

The Year Eight and Nine students began the program for Options and Futures week. This program is important for students at both year levels as it is the way we deliver our Career Education and each program builds on the other leading up to the Career Week activities in Year Ten. Your daughter may tell you she is ‘only playing games’ however the ‘Be Real Game’ is an important part of this program.

Next Tuesday we welcome our 2015 Year Eight students to orientation day and Wednesday we welcome our 2015 Year Seven students to the College for their orientation day. This is the beginning of their transition into our College community and we look forward to working with them and their families in the years ahead. We will officially welcome them to our community in the new school year.

As we approach Christmas we should take some time to reflect on the real meaning of Christmas. With so much emphasis placed on the buying of gifts and the spending of money it is very easy for us to lose sight of what we are celebrating. Even when we do think of Christmas we often don’t go further than the very simple story of the birth of Jesus in a stable. We miss out the real significance of the events. What difference will Christmas make in our lives? Will it be ‘here today and gone tomorrow’ and we will only be left with financial pain? Perhaps we could pledge along with Charles Dickens: ‘I will honour Christmas in my heart and try to honour it all year.’ To be Christian people means to carry in our lives throughout the year, God’s gifts of peace, justice and love. We are called to have an impact in our world today.

This is also the time of the year when we farewell some of our staff who are leaving our community. Mr Gary Conwell, Mr Ryan Slavin, Nicole Garske and Mrs Natalie Thackwell are all leaving us to move to new schools closer to home. They have contributed much to our community during their time with us and we thank them and wish them well with their new challenges. Farewell and thank you also to Mrs Kate Prebble, Mr Richard Haines and Ms Megan Ramsay who are completing contracts and we wish them well in their new endeavours.

Mrs Megan Pidskalny is taking family leave during 2015 as she and her family welcome their new baby in March. Mrs Kym Clarkin is also taking family leave in 2015 and we wish her and her family all the best for the birth of their baby also due early in 2015.

Our best wishes also go out to Ms Emily Sweeney and Ms Renee Hayes who are both being married over the Christmas holidays. We wish Emily and Michael and Renee and Liam a wonderful day celebrating with family and friends and a happy and rewarding life together.

With the arrival of Year Seven we will have a number of new staff in 2015 and we will welcome them early in the New Year. We are also very optimistic that our new buildings and grounds will be completed or very close to completion for the start of the new school year.

As this year draws to a close I would like to thank all our staff for another successful year and one that required lots of patience and a great deal of flexibility to adjust to many last minute changes due to our building project. Thank you to all our students and families who have also needed to be very flexible and patient. I wish you all a wonderful Christmas and look forward to journeying with you in 2015.

Maree Messer

From the Deputy Principal  Ms Sharee Lane

Last Friday, every one of our girls in Years Eight to Eleven contributed to a wonderful farewell ceremony for the Seniors. One of the highlights was our groundsman Ray Cole leading the Seniors through the Guard of Honour playing the bagpipes in full Scottish dress. My thanks to Ray for sharing his talent with the community in this special way - it made the ceremony especially beautiful. It is always sad to say good-bye to those young women that we have grown to love over the years but it is also rewarding to see the confident and accomplished young women they have become as they venture out into the world. Next week, we will be welcoming our incoming new students at the Year Seven 2015 and Year Eight 2015 Orientation Days so it certainly is a time of transition for us.

As the year draws to a close, I wish to thank all of our parents for your support this year and for allowing us to share in your daughter's life. It is a great honour and one that we do not take for granted.

I would also like to bid a very sad farewell to Ms Nicole Garske with whom I have worked closely on the Pastoral Team. Nicole has taken on the role for Year Eight Coordinator for the last two years and has absolutely shone in this role. The support and guidance she has provided for Year Eight students has been exceptional and she has been especially effective at being proactive and preventing problems from escalating. I know that our Year Eight and Nine students have appreciated all that she has done for them.

I would also like to thank Mrs Carol Hoareau, Mr Gary Conwell and Mrs Maree Messer for all of their support this year. With little warning, Carol stepped onto leadership team earlier this year, rolled up her sleeves and got on with business. This meant leaving the Senior Pastoral Coordinator’s role which she holds so dear to her heart and learning a whole new job. It has definitely been a blessing for me to work so closely with Mrs Hoareau this year and I appreciate her guidance, wisdom and professionalism. Farewell to Mr Gary Conwell who has also stepped up to quite a number of challenges this year in changing roles. Mr Conwell’s dedication and commitment to our educational and spiritual goals has been inspirational and I wish him well in his new role at Clairvaux-Mackillop.

My thanks also go to Mrs Maree Messer for her support and leadership throughout what has been a challenging but exciting year for our community. As the new buildings approach completion, we are starting to see the results of Mrs Messer’s great attention to detail in every step of the building program. Our buildings look absolutely fabulous and I can hardly wait for the new year to arrive.

I wish you all a very happy Christmas and a restful holiday.

Regards & blessings, Sharee Lane

AP (Pastoral)  Ms Carol Hoareau

As we near the end of the school year please take note of these reminders:

- It is vital that all resources are returned to Lab 3 (laptop, textbooks, calculator)
- I notice that quite a number of Year Eleven girls have hats that need replacing due to tearing/staining. You might like to consider attending to this before the start of next year. While on uniform issues, the Year Twelve girls might like to purchase their new tie at the same time.
- Year Eight and Year Nine reports will be issued to students on Friday 5 November
- Year Ten, Eleven and Twelve students can collect their report (Year Ten and Eleven only), reference (Year Twelve only) and College Magazine from 9.00 - 10.15am on this day also
- Good luck to Ms Nicole Garske, Ms Laura Chapman, the Senior Leaders and all other student helpers for the Year Seven and Eight Orientation Days next Tuesday and Wednesday.
- Year Eight and Year Nine students will be dismissed at 11:30am on Friday 5 December. The usual afternoon buses will be collecting students at this earlier time.

Although this year started in the same manner as most years, by Term Two things were about to become a whole lot different. Stepping into this Leadership role has certainly provided a number of challenges, both personally and professionally, but what is life without challenges?!
I am looking forward to stepping back into the familiar territory of my role as Senior Pastoral Care Coordinator next year, but I have also learned so much about the day-to-day running of this school that I now have a new insight into the complexities of juggling exam timetables, room changes, room closures and regular classes all at the same time! It has been a year like no other.

I would like to thank Mr Ryan Slavin for stepping up this year; he has been a very competent and caring Coordinator and I know the girls have enjoyed working with him. I wish him well in his new role at Unity College next year.

Finally, thank you to the rest of the College Leadership Team for their guidance and support during the year, and to our wonderful staff who have walked each step of the way with our girls this year.

Blessings to you all for a joyous Christmas with your family and friends and a safe, restful holiday.

Kind regards, Carol Hoareau

---

Last year’s Courier Mail Headstart section featured a double page spread entitled Symbols of Christmas. The feature detailed various Christmas symbols from around the globe including a statue of the Virgin Mary, a nativity scene, mistletoe, Christmas cards and an array of fancy and elaborate decorations. It struck me that the symbols listed were all very concrete tangible symbols that at some level were closely related to the culture of the people from which they originated. The nativity scene detailed very European looking characters in a traditionally accepted manger scene; the 500 million Yen Christmas tree with pure gold plated decorations suggested a commercial interpretation of the Christmas message; and the fireworks scene seemed to suggest that fun and frivolity is very much associated with our idea of Christmas.

The Responsorial Psalm from the Second Sunday of Advent, and its reference to the mission of the Messiah (Jesus) seems to point us in another direction when thinking about the season of Christmas:

Response. *Justice shall flourish in his time, and fullness of peace for ever.*

Justice shall flower in his days,
and profound peace, till the moon be no more.
May he rule from sea to sea,
and from the River to the ends of the earth.

For he shall rescue the poor when he cries out,
and the afflicted when he has no one to help him.
He shall have pity for the lowly and the poor;
the lives of the poor he shall save.

(Psalm 71:1-2, 7-8, 12-13)

The composer of Psalm 71, traditionally thought to be King David of ancient Israel (or perhaps Jeremiah the prophet), was envisioning a time when the great religious leader to come (who for King David was the coming Messiah, and who for Christians was to become Jesus Christ) would place an extreme emphasis on levelling the playing field of inequality in the world. Notice references in the passage to words such as justice, peace, poor, afflicted and save. It suggests that whatever Christmas has become for us individually and collectively, it must have something to do with redressing the inequality and disadvantage that surrounds us. It was not happenstance that Jesus directed much of his ministry to those who were sick, poor and marginalised on the edge of Jewish society of his day; and that he directed his teaching to individuals to redress their prejudice and accept the coming of his new kingdom - a kingdom (the domain of a king) that would rule over the hearts of people.

I think it is timely, in light of The Courier Mail’s article, to suggest that the greatest symbols we could ever offer as truly representative of the Christmas season are charity and compassion. These symbols are not shiny and enticing but every bit as real, and most importantly transformative in quality. Indeed they are produced only when we change our perspective of another’s circumstance and lay aside our grievances. Jesus offers us a challenge to take his ministry, as described in the Psalm, into our hearts to transform us, then into our spheres of influence – our families, friends and wider society. I wish each and every person in our College community a very Merry and Happy Christmas, adorned with works of forgiveness, compassion and mutual respect.

Regards, Gary Conwell
Just last week we said our final goodbyes to our Year Twelve girls and I must say their behaviour in their final week was beyond reproach. In many schools this is a dreaded time in the school calendar with students creating havoc; instead, our girls enjoyed each other's company and showed a deep respect for their school by the way that they conducted themselves. Dressed as Spanish señoritas, the girls made short work of their respective PC piñatas at morning tea. The girls thoroughly enjoyed their Farewell Assembly last Friday morning and appreciated the effort from all year levels to give them such a lovely farewell; the Year Elevens outdid themselves with the preparations. They have set the bar high for next year! Congratulations and best wishes to all of our Year Twelves and I sincerely wish them all future success.

I offer thanks to all who have contributed in any way to make a difference this year so that we will leave the school year in a better way than how we began it. I would like to recognise the efforts of the Pastoral Care teachers who have walked each step of the way with your daughters:

11B – Mrs Karen Formosa
11Q – Mrs Megan Pidkalny
12B – Ms Lyn Hedemann
12Q – Mrs Elizabeth Pashen

11M – Mr David Hooper
11R – Mrs Frances Zabarauskas
12M – Mrs Sarah Meder
12R – Mrs Rikki Stanton-Cook

Finally, I would also like to extend my thanks to you as parents and caregivers for your gratitude and encouragement throughout my time as Acting Senior Pastoral Coordinator. Thank you for your support, particularly during the challenging times in which our girls have sometimes found themselves.

As I move off to another school for next year, I look forward to hearing about all the achievements and successes of the new Year Elevens and the new Senior of the College in 2015.

I wish you all a safe and happy holiday and a blessed Christmas time with your loved ones.

Kind regards, Ryan Slavin

What a year! It has been a busy and eventful year with lots going on.

The Year Ten students finished of their year with a trip to Splash. It was a great day and everyone who attended had lots of fun. We finished off the day by celebrating the amazing role models that the Year Ten students have been this year with afternoon tea. I would like to thank all of the students for their cooperation this semester. It has been a pleasure getting to know all the girls and I wish them every success next year as they begin their senior schooling. I would also like to take this opportunity to thank the parents for your support throughout the semester.

The Year Nine students will remain at school for one more week. They will be participating in Futures Week, which is an important program that prepares them for their SET Plan interviews which are undertaken in Year Ten. On Thursday the 4th of December students are to wear full sports uniform to and from school. Throughout this day students will be involved in various activities that will require the sports uniform. The full sports uniform will also include the sports hat. Students will also be having a pizza lunch on this day to celebrate the end of another busy and successful year. The following day, Friday the 5th of December, which is the students' final day of school, will be a “Free Dress Day”. However, I would like to stress that normal social rules, in terms of dress standards, apply for this day. Students will finish school on this day at 11:30am.

I would like to also thank all Year Nine students for their hard work and dedication throughout the year. They are a lovely bunch of young ladies and it has been a privilege to be their coordinator for the semester. Furthermore, I would like to extend my thanks to the parents for your support. I wish the Year Nine ladies good luck for next year.

Finally I would like to say thank-you to the amazing PC teachers for Year Nine and Ten who have worked tirelessly throughout the year. From Year Ten: Jan Gulliver, Brenda Tilyard, Trish Fitzpatrick and Shan Mager. From Year Nine: Pam Eichmann, Jodie Trounce, Candice Oliver and Michael Ephraims. I would also like to thank the Pastoral Team for their support throughout the semester. It has been a pleasure taking on the role of 9/10 coordinator for the semester and I would like to thank all staff, students are family for helping making the transition a smooth one.

I wish all staff, students and their families a very Merry Christmas and a relaxing well deserved break.

Warmest regards, Laura Chapman
they have in the future and the pathways that will get them there.

Next Tuesday and Wednesday are the Orientation Days for the 2015 Year Sevens and Eights. I asked this year’s cohort to volunteer to be guides on these days and, pleasingly, I received an overwhelming response! During these two days, selected Year Eight volunteers will act as guides for the incoming students, assist in morning tea and lunchtime activities as well as being friendly, familiar faces there to help answer any questions. On Thursday we provide a pizza lunch for all Year Eight students. The girls are entitled to half a pizza (Choice of Supreme, Hawaiian, Meat Lovers, Pepperoni and Vegetarian). As you can appreciate we cannot cater for every whim when we are ordering enough pizzas for 116 girls. If your daughter cannot eat pizza she will need to provide her own lunch on this day, as there will be no tuckshop available. The girls will also be participating in a Zumba lesson and resilience activities on this day. They must wear their sports uniform to school and bring a water bottle, as these sessions are very active.

On the last day students are to wear ‘free dress’ and there will be an opportunity to have a final PC party. Our emphasis in Year Eight is on sitting down to share food together and to talk about our experiences and time together. These parties are NOT designed to be an all in junk food party. While there is a place for lollies and chips, we continue to encourage the girls to bring a range of food and drink to share. We have been very impressed by the high quality of homemade food that many of the girls have brought in to share this year.

I would like to end this final newsletter with thanks to you as parents and caregivers, for your support, gratitude and encouragement. For all of you – whether we have spoken or not, I appreciate the support you have shown by espousing the values and beliefs of the college and the St John Fisher way. I thank you for allowing us to teach, encourage and care for your daughters and for all your hard work in helping them with their transition into high school. All the best to you and your daughter for Year Nine and the future.

To the Year Eights this year, I thank you for being, from the start, an enthusiastic, generous and kind group. I am thrilled by the transition you have made from Year Seven and by how you have developed throughout the year. Thank you for your cards, presents, offers to help and kind ways throughout the year. I encourage you to take up more opportunities the College offers and to remember the valuable lessons of Year Eight. My hope for you is that you remember to show kindness, gratitude, initiative and to treat people the way you want to be treated. Remember to maintain your dignity and show respect for others, property and the environment.

I want to thank the four dynamic PC teachers for their time, efforts and commitment to their classes. Each teacher has so many talents and gifts and I appreciate the way they use these gifts to help the girls in their PC class. From the non-stop, full-on support needed at the start of the year, to the firm guidance still needed today, these four teachers have significantly assisted your daughter’s journey throughout the year. To Jade McKenzie, Tracey Winders, Emily Sweeney, Megan Ramsay and Natalie Parks – many, many thanks. My words cannot express my appreciation of them and their work. They are absolute assets for St John Fisher College.

I wish you all safe and happy holidays and a blessed Christmas time with your loved ones.

Kind Regards, Nicole Garske

---

**Campus Minister** Julie McCoy

Creator God, you know us and you love us.
We give thanks for the year that has been; for the support of our family, friends and teachers; for all we have achieved and the wonderful things yet to come.

May we keep close to our hearts our theme “from these roots we grow” and know that even though we are branching out and changing we will hold dear the strong values instilled in us through our learning at SJFC.

We pray that you watch over us and keep us safe throughout the holiday season as we take some time to smile, reflect and enjoy time with our loved ones.

May we keep the true meaning of Christmas alive during our time away and look forward to starting 2015 with a refreshed song in our heart ready to begin the next chapter in our lives.

We offer this prayer through Jesus our friend, AMEN.

I wish you every blessing for a Happy, Holy and safe Christmas. See you next year, Julie.
As the school year draws to a close I would like to take the opportunity to thank all those students that have been involved in the broad array of cultural activities on offer this year. Students from across all year levels involved themselves in activities such as TheatreSports (Interhouse and Interschool), Sister Act, Dance Squad, Dance Troupe, Shakespeare Festival, Studio 27, Choir, Vocal Ensemble, Band, String Ensemble, Music Tour, Tech Crew and Illuminaré. Involvement in these activities takes time and commitment but I am sure the students would agree the effort was worth it. Special mention and thanks must go to Cultural Captain Georgia Dutton, Dance Squad Leaders Bella Smith and Pariss Jennings, Band Captain Maddie Campbell and the many Year Twelve students who helped organise activities and mentor the younger students. Your efforts were greatly appreciated. The Cultural Life of any school plays an important part in shaping what that school is like and what it values. Over the past two years it has been made abundantly clear to me the students of St John Fisher truly value and enjoy the cultural aspect of the College and this support will ensure that the Arts will continue to thrive.

Behind every activity stands a teacher giving support and time to the students. I would like to thank Ms Julie McCoy, Ms Amy Hodgkinson, Ms Shan Mager, Ms Laura Chapman, Ms Melissa Keenan, Ms Karen Formosa, Ms Melinda Coles and Mr Ian Browne for their time, effort and continued support of the various cultural activities throughout 2014.

I would also like to give a special thanks to my fellow Drama teacher, Ms Nicole Garske, who has given so much to not only the drama department but also to many of the Cultural activities already mentioned. Her dedication, organisation and hard work are to be applauded. As life takes her on a new path, I wish her all the very best. She will be greatly missed by staff and students and leaves very big shoes to fill.

As we look to next year, we hope “Popstars” the musical will be the talk of the school. We thank all those students who auditioned earlier this term. Congratulations to those girls who were allocated lead roles. The chorus will be announced at the beginning of the new school year. Auditions for new students will be held in the first few weeks of Term One. More information regarding these auditions and the rehearsal schedule will be forthcoming at the beginning of next year.

I wish all our families a very safe and happy Christmas break.

Warm Regards, Suellen Geran

GLOBAL YOUTH CHALLENGE

On the 8th and 9th of November two teams of six students from our College participated in the Chrysalis Global Youth Challenge. These teams were two of twenty teams who paired with international students to compete in the Piersim virtual business game.

The Year Ten Business students were paired with Tatiana from Colombia and the Year Eleven Business students were with Grace from Indonesia. One person from each team was paired with the international student to create the company and the rest of the team represented the relevant Government.

On the Saturday the girls went into Spring Hill and had preparation and training all day and then the final was at City Hall on the Sunday. The girls were faced with playing the virtual game and debating world issues. They addressed and developed solutions to many current global crises.

This day challenged them by opening their minds to new ways of thinking. Overall the girls were very successful as they developed new ways of thinking and awareness of world issues.

Abbey, Olivia & Rachel – Year Ten Business

Book Hire

IMPORTANT INFORMATION ~ PLEASE READ

The end of the school year is fast approaching and it is time to start organising the return of textbooks currently on loan to your daughter.

Each textbook has a barcode starting with X. Students must return the textbook with the same barcode that was loaned to them. A list of items on loan will be given to students in plenty of time for them to check their books. If a student returns another student textbook they will still be responsible for the textbook that was loaned to them.

If books have been lost or damaged they must be replaced. Your daughter will be issued with an overdue notice and payment for the replacement of books must be made by the due date listed below.

Could you please assist me by ensuring that your daughter returns all of her text books by the following due dates:

Yr 9 & Yr 8 ~ Friday 28th November 2014 by 3pm

Payments for Textbooks still outstanding by the due date will be charged to your family account at the end of the school year.

Thank you for your help in this matter. Maria Wolf
